

Nikon JAPAN
Fluor
40x/0.80W
DIC M/N2
 $\infty/0$ WD 2.0

A technical line drawing of a Nikon objective lens. The lens is shown at an angle, revealing its cylindrical body and the mounting flange at the bottom. The flange has several concentric rings. The text is printed on the main body of the lens.

Nikon JAPAN
Fluor
40x/0.80W
DIC M/N2
 $\infty/0$ WD 2.0

A technical line drawing of a Nikon objective lens, identical to the one on the left. It is shown at an angle, revealing its cylindrical body and the mounting flange at the bottom. The flange has several concentric rings. The text is printed on the main body of the lens.
